Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative contacted the examiner regarding the IDS filed 3/25/04, as a 1449 corresponding to that IDS has not been received by applicant. After reviewing the file, the examiner noted that while her records and Office (PALM) records indicate that the IDS was previously considered, the corresponding (signed/dated) 1449 is not present in the electronic file. It was agreed that the examiner would mail the 1449 to applicant. An initialed/signed/dated copy of the 1449 is enclosed herewith.
